

# A Special Message for Absentee Voters FROM ROBERT STUART *Orlando City Commissioner*

Keep Robert  
Stuart working for us!  
**VOTE**  
March 9th!

Dear Absentee Voter,

Since elected in 2006, I have worked hard to represent you on the City Council. I share your concerns about the condition of our economy and the state of our city's finances. I am proud to support our police and firefighters as they work to keep us safe and secure in our neighborhoods. I have been fighting hard to keep Orlando and District 3 a safe place where we can all live, work, and prosper.

Endorsed by Orlando Professional Fire Fighters, Local 1365  
Endorsed by Orlando Fraternal Order of Police, Lodge 25

*Please use your absentee ballot today and help me win this fight!*

Robert Stuart

Robert Stuart, Commissioner • City of Orlando, District 3

# ROBERT STUART

Community Leader We Can Trust!

## ROBERT STUART HAS WORKED WITH RESIDENTS TO:

- Fight crime through increasing local neighborhood watch groups, supporting removal of illegal guns from the streets, and conducting community crime and leadership forums
- Support economic development by creating the Edgewater Drive Vision Task Force, a model for our city to look at long term plans for business districts
- Renovate Historic Dubsread Golf Course, increase the awareness, reduce neighborhood traffic, and meet "green standards" for this jewel of Orlando
- Develop the LakeAlert System to communicate instantly the condition and activities of our city's lakes
- Support public safety initiatives through our police, fire, emergency teams and neighborhood leaders

## ROBERT STUART ON THE ISSUES:

**Crime and Public Safety** are the core of our city's services. I will continue to work for safer neighborhoods, one block at a time.

**Fire Protection** in Orlando has been rated as one of the best in the country. I will continue my fight for rapid response times and quality personnel to respond to our citizen calls, any time, day or night.

**Business Development** is the backbone of our region. I will continue my support of our Main Street Programs, three of which are in District 3, keeping our small businesses strong and our neighborhoods vibrant.

While our economy struggles, we need sound programs to help keep our neighborhoods free from the blight brought on by the foreclosure crisis. I will continue to fight for strong code enforcement of vacated houses and additional funding to help keep struggling families in their homes.
